GIORGIO DINI

Postdoctoral Researcher in Environmental and Behavioural Economics

Università di Bologna – Department of Economics
giorgio.dini2@unibo.it
Research interests: environmental economics, behavioural economics, experimental economics, collective action, dynamic games

Education

2020–2025	**Ph.D. in Economics**, Department of Economics, University of Bologna. European Doctorate in Law and Economics (EDLE), joint programme with Erasmus University Rotterdam and the University of Hamburg. Visiting student, Rotterdam Institute of Law and Economics, Erasmus School of Law, 2021–2022. Thesis: *Experiments and insights on climate-relevant behaviours.* Supervisors: Alessandro Tavoni and Michael Faure.
2017–2019	**M.Sc. in Resource Economics and Sustainable Development**, University of Bologna. Dissertation: *Policies to curb meat consumption: a laboratory experiment to test the efficiency of a Pigouvian tax relative to an informative policy.* Grade: 110/110 cum laude. Adviser: Alessandro Tavoni.
2016–2017	**Postgraduate Course in Environmental Economics and Law**, University of Genoa and TICASS.
2012–2016	**B.Sc. in Business Administration**, University of Genoa. Grade: 108/110.

Academic Appointments

2025–	**Postdoctoral Researcher**, University of Bologna, Italy. Research on field experiments and collective action in the climate commons within the ERC-funded project *From Niches to Norms: Drivers and Diffusion of Green Social Tipping*.
2024	**Visiting Research Collaborator**, Princeton University, United States. Visitor at the Behavioral Science for Policy Lab (Prof. Elke Weber) and the High Meadows Environmental Institute (Prof. Simon Levin).
2024–	**Beijer Young Scholar**, Beijer Institute of Ecological Economics, Royal Swedish Academy of Sciences, Sweden.

Peer-Reviewed Publications

- The Private Solution Trap in Collective Action Problems across 34 Nations (with E. Malthouse et al.), **Proceedings of the National Academy of Sciences**, 123(12), e2504632123, 2026.
- Food Choice with Increased Visibility–A Field Experiment at an Environmental Economics Conference (with A. Dannenberg, A. Tavoni and E. Weingärtner), **Ecological Economics**, 240, 108816, 2026.
- Green Jobs, Intertemporal Preferences, and Social Pressure: An Experiment for a Green Transition of the Labour Market (with C. N. Focacci), **Environmental Economics and Policy Studies**, 27(2), 265–303, 2025.

Job Market Paper

- Greenwashing under Enforcement: A Laboratory Experiment on Seller Behaviour, Consumer Beliefs and Demand (sole author).

Working Papers

- Ecological Spillovers between Forest and Water Commons: Theory and Laboratory Evidence (with A. Tavoni, A. Xepapadeas and S. A. Levin). Revise and resubmit at **Ecological Economics**.
- Bridging Social–Ecological Systems and Ecological Economics to Navigate Polycrisis (with L. Delannoy, G. Rubin, B. A. Bastien-Olvera et al.). Working paper.
- Uncertainty and Environmental Preferences (with S. Tolga Er). Working paper. Available upon request.

Work in Progress

- Framing Social Norms for Pro-Environmental Action (with B. Sanesi, E. Sestini and A. Tavoni).
- Dynamics of Trust in Institutions: Theory and Experiment (with J. Composto, M. Kawakatsu, S. Redicker and A. Wiechman).

Teaching Experience

2026–2027	**Adjunct Professor**, Environmental Economics (B.A. module, 30 hours), Department of Economics, University of Bologna.
2024	**M.Sc. Dissertation Co-Supervisor**, Resource Economics and Sustainable Development, University of Bologna.
2023–2024	**Teaching Assistant**, Environmental Economics (M.Sc.), Department of Economics, University of Bologna. Professor: Luca Lambertini.
2023–2024	**Teaching Assistant**, Regulatory Economics (B.A.), Department of Sociology and Business Law, University of Bologna. Professor: Gianluca Fiorentini.
2022–2024	**Teaching Assistant**, Behavioral Law and Finance (M.Sc.), Department of Sociology and Business Law, University of Bologna. Professors: Emanuela Carbonara and Enrico Santarelli.

Selected Presentations

- 2026. Behavioural Environmental Economics and Policy (BEEP) Workshop, King's College London, United Kingdom; International Workshop on New Trends in Environmental Economics and Policy, Rimini, Italy.
- 2025. EAERE Conference, Bergen, Norway; LAERE Conference, Bogotá, Colombia; IAERE Conference, Rome, Italy; BEEN Meeting, Bologna, Italy; Winter Summit on (Un)Ethical Behavior in Markets, Innsbruck, Austria.
- 2023 (**invited**). Farewell Workshop for Prof. Christoph Engel, Rotterdam, Netherlands. Presentation: *A Field Experiment on Norms and Information about Food Choice Visibility.*
- 2023. Joint Seminar *The Future of Law and Economics*, Rennes, France.
- 2022. BEEN Meeting, Venice, Italy; IAERE Conference, Naples, Italy; SIDE Conference, Palermo, Italy; The Future of Law and Economics Workshop, Rennes, France.
- 2021. The Future of Law and Economics Workshop (poster), Maastricht, Netherlands.

Awards & Grants

2025	**Marco Polo Visiting Scholarship**, University of Bologna.
2022	**Small Grant Scheme Winner**, Erasmus School of Law, Erasmus University Rotterdam (€9,200).
2020–2024	**Full Ph.D. Scholarship**, University of Bologna.
2019	**Most Deserving Students in Economics**, University of Bologna (€1,500).

Academic Service and Outreach

2021–	**Founder and Member**, Bologna Environmental Economics Group (BEEG).
2020–	**Member**, Informal Discussion in Experimental Economics (IDEE).
2020–	**President**, The Climate Route APS Association, Rimini, Italy.

Journal Refereeing

Referee for *Ecological Economics*, *Journal of Cleaner Production*, *Journal of Economic Psychology* (3), *Journal of Behavioral and Experimental Economics* (2), and *Erasmus Law Review*.

Professional Memberships

European Association of Environmental and Resource Economists (EAERE), since 2021.
Italian Association of Environmental and Resource Economists (IAERE), since 2023.
Behavioural and Experimental Economics Network (BEEN), since 2022.
Società Italiana di Diritto ed Economia (SIDE), since 2022.

Experience outside Academia

2020	**Junior Researcher in Third-Sector Economics**, ISNET Association, Italy.
2018	**Development and Sustainability Project Assistant**, Bristol Waste Company, United Kingdom.

Methods, Software, and Languages

Methods: experimental design, survey design, behavioural data analysis, causal inference.
Software: Stata, R, Python, Qualtrics, oTree, LaTeX.
Languages: Italian (native), English (C1), French (basic).
